

PEOPLE IN THE NEWS

Ed and Annette Schoepfel

Meet **Ed and Annette Schoepfel**, who have joined CCC from Old Hickory Golf Club in Livonia. *Welcome!*

The CCC family sends the warmest of wishes for health to **Dusty Pagel, Brenda Zambito, Sherrye Cook and Linda Ringer.**

Congratulations to **Alan Weitzel** on his receipt of the Distinguished Service Award for 2006 by the South Florida Golf Course Superintendents Association.

Alan was nominated by many of his colleagues for this prestigious award. Nomination letters refer to Alan as a “mover and shaker for the South Florida golf scene”, as a caring community citizen and as a person whose efforts have improved golf in South Florida in many ways. Others refer to the positive impact Alan has had on motivating young

people of his area to respect the game and become the next generation of golfers. Alan has held the position of President of the SFGCSA. Obviously, Bob and Jo are very proud parents.

The weather could not have been nicer nor the sun brighter for this event. Many CCC members turned out to play this favorite event dressed in red, white and blue. Some even decorated their carts, riding and walking. With so many participants, Al was able to pay out many places.

GETTING TO KNOW YOU

Pat and Paul Masters have had many interesting and varied experiences over their 46 years of marriage. Before moving to Rochester, Paul, licensed as a charter boat captain for the Great Lakes, had a successful chartering business specializing in corporate outings. In the meantime, Pat became interested in showing miniature schnauzers and won bragging rights with three champions. However, Paul fell in love with Kerry Blue Terriers and thus was launched a very successful 15 years of showing this beautiful Terrier together. Some of the honors the Masters earned with their Terriers were Best of Breed, Best Kerry Blue Terrier in the nation, Best Puppy in Show and multiple numbers of homebred champions, both here and in Canada. Paul became a master groomer and Pat a licensed groomer.

Today, besides enjoying their two children and five grandchildren and golf, Pat is an avid gardener and Paul is into vintage cars. He is in his first show with his 1965 Corvair in early June.

Tom and Carole Sims have been Caledonia residents since 1959. Tom and Carole built their own home together in 1966. The Sims have a multitude of interests. In the past, they collected ornamental peafowl, an exotic bird of the pheasant family. Not only did they show their birds but they shipped them all over the world, including to a zoo in Japan. Tom and Carole won many awards, including Best of Show and numerous other trophies and honors for their birds. Other interests, such as collecting iron matchboxes, came about because of Tom's dad. Both have a great deal of knowledge of and a keen interest in early American artifacts. Two one-year old longhair miniature dachshunds, their family and several grandchildren keep the Sims happily busy.

PLEASE NOTE - When retrieving an errant ball on hole #6, please do not climb the stone wall. There are open walkways--please use them. Scott Weitzel spent a lot of time and energy rebuilding the wall. It is unique and lovely, please help preserve it.
