FROM YOUR PRO

The Pro Shop hours for April will be 8:00am until dark weekdays and weekends. The hours for May through August on weekdays will be 7:00am until 7:00pm and on weekends 6:00am until 6:00pm.

New merchandise is arriving daily, so come in, check it out and update your golf wardrobe and equipment.

The annual Mudders tournament will be on Saturday, April 24th with a 10:30 shotgun start. Following the tournament will be the Spring Frolic, with cocktails from 4:30 to 5:30 and dinner served at 5:30. Applications for the Mudders Tournament and the Spring Frolic are available in the Pro Shop now.

Posting of scores started on April 15th and will end on Oct 31st. This is a longer than usual posting season. Don't forget if you play 9 or 18 holes you must post

your score within 24 hours. This rule is in effect for league, tournaments and casual play.

Something new this year! Some tournament entry forms will be available on our web site. Go to www.caledoniacc.com and click on the "Schedule" button at the left. The tournament for which an entry is available will be highlighted in red. Download it, print it, fill it out and drop it off in the Pro Shop.

The tee book is in the Pro Shop for the month of April. Call the Pro Shop for tee times. Remember to check in the Pro Shop before going out.

There is a new way for tournament score posting. You will be responsible for posting your own tournament scores as a "T" score for the club's plaque tournaments. For example: the Mudders is a "T" score. Stag days are not. The Ladies Invite is a "T" score. The Ladies Filly day is not. Al will post a sign for all the "T" scores. If you have any questions, see Al in the Pro Shop.

Please Note: If you pick up on a hole in a tournament or any other round played, you must use the equitable stroke system in order to mark and post a score for that hole. The equitable stroke system is posted by the computer. Need help? See Al.

We are sad to say Matt Wagner won't be back in the Pro Shop this season. Welcome back Jack Foote

and welcome new comers Becky Weitzel, Tom Crowley and Ryan Fitzgerald to the Pro Shop. Please introduce yourself when you check in before your round.

The driving range is open for the season. After hitting range balls and before leaving the area, please fill your divots.

There are openings for most of the leagues, Guys and Gals, Monday through Thursday. The Ladies Monday and Tuesday leagues will be starting in May. Al will e-mail further details. Call Al if you are interested in any of the leagues.

Please help Al out by returning your golf carts after play to the back of the cart barn to be washed. Thank you for your help and cooperation.

Steve is back and the snack bar will be open on April 20th.

FROM ERNIE AND YOUR GROUNDS CREW

The golf course wintered very well with little snow mold. Tees, fairways and greens came through very well.

The 90-degree cart rule is in effect for this season. It really helped our course last year. Please, everyone follow this rule.

More trees will be coming down on the course due to disease.

We will be concentrating on the golf course with fertilizer and weed control the same as we did last year.

We also will be putting new sand in our bunkers throughout the season to get them back in good order.

Please keep up with the ball marks on the greens. Take the responsibility and care enough to fix an extra ball mark to help keep our greens' surface in great shape.

Please make sure to use the divot bottles on the golf carts to fill your own divots or the divot someone else forgot to fill. For walkers we have extra bottles in the cart barn. *Help yourself, help the course.*

A reminder from Mr. Weitzel:
NO golf carts are allowed in the upper parking lot because of insurance reasons.
 This is really important!
