THE NEWSLETTER OF THE CALEDONIA COUNTRY CLUB

PEOPLE IN THE NEWS

Well, it's late but finally here, the last issue of the Scotsman for 2011.

Congratulations to Bob & Josephine Weitzel who celebrated their 64th anniversary on November 15!

Special thanks to Chef Steve and his staff for the wonderful food over the past season. Great job, all!

Dick Maulfair sends along sad news: Gerry Coene passed away on July 31, 2011 from cancer. He was a long time member who had played in the Thursday night league, the Sunday morning Sweet Sixteen bunch, the Chuck Smith Tuesday travel group and with his regular group on Saturday mornings. He also played with his wife, Joyce and the grandsons whenever their schedules allowed. In memory of Gerry, his friends and Mr. Weitzel purchased a new ball wash for hole # 17 with a memorial plaque in Gerry's memory, engraved with one of this favorite sayings: *"I'll just touch a five wood to it."* Since Gerry once scored an Eagle on #17, it was felt by Gerry's friends this would be a nice memorial for him.

Thanks to everyone for their support and encouragement for my doing this newsletter. I'll try for a more regular schedule next year!

FROM YOUR HANDICAP COMMITTEE

Thanks to all the members; posting of all scores this past season was great. Just a reminder to post all scores if you are on vacation in the south or southwest, their season is still ongoing. You may post online or if you find a Ghin computer at one of the golf courses you are playing.

YOUR GROUNDS CREW AND WHAT'S NEXT FOR 2011?

Aeration of all greens went very well; they are healing up just fine. Ernie also aerated all tees and aprons on all holes; they are also healing just fine.

Ernie has removed two walnut trees that bordered the 6th green along the stone wall. This will help the green to get sun and air flowing through there; also

GROUNDS CREW (continued)

the roots of those trees will not starve the green any more for moisture.

Ernie is also starting to shape some new tees for next year: New Ladies tee on #4, Mens Blue tee on #2 and Mens White and Gold tees on #9.

New Ladies tees on #15 & 18 will be open for the Spring.

All the greens have been sprayed for snow mold for the winter.

We have also started reshaping some of the fairways, some larger and some smaller. Also look for changes in some off the fringe areas.

We would like to thank all of the volunteers that have helped out on the grounds crew, along with the employees that have worked very hard this past season to preserve and improve the course in the best shape it could be in.

Charlie Brower has updated our irrigation system for next season, it is now all digitally computerized.

Special thanks to all grounds crew: Ernie Baker, Randy Shaffer, Al Cote, John Cornell, Joe Gugino, Larry Reed, Mike Reed, Dan Hartford, Floyd Grimes and Aaron Wood.

A huge thank you from the entire membership is sent to Ernie and his crew, who work tirelessly to keep CCC in top condition.
