## OUR CALEDONIA CC FAMILY

At last, the first Scotsman for 2015! The Scotsman is here to inform you! Please let me know if you have any special dates, such as birthdays or anniversaries, notable events such as holes in one, or remembrances that you would like mentioned in the Scotsman; you can send the information to Kevin Frick at [kfrick77@gmail.com](mailto:kfrick77@gmail.com). You can also phone or text me at 585-230-8048. I will try to include everything that I'm informed of, but please send me a reminder if I miss something. You can also give a note to Shirley B, she's always there.

## MEMBERSHIP DIRECTORY UPDATE

The membership directory is being updated for 2015. We plan to have the directory available both online and as traditional printed copies.

**IF YOU NEED TO UPDATE YOUR INFORMATION, PLEASE SEND IT TO JASON OR ME BY JUNE 15, 2015!**

## A SPECIAL NOTE FROM TANYA WEITZEL WILKIE

On behalf of the Weitzel family, I would like to thank the membership and staff for the heartfelt condolences expressed for the loss of our Dad, Bob Weitzel. As Angelo Calleri expressed in a letter to us "*It is not everyone who had a dream and lived to see it become a reality ... The reality being The Caledonia Country Club as we know it today*"

We are proud to keep CCC in the family and continue Dad's legacy of an 18 hole championship golf course and country club . Scott Weitzel, who leased the course from his father for fourteen years from 1990 to 2004, is our 2015 manager. Scott, during his reign, rebuilt historic stone walls, designed elevated tees from railroad ties, created split rail fences, and sculpted the gorgeous gardens you see on the course today . He also, in 1998, added a new addition to increase the pro shop space and to create a new men's locker room & cart barn. Scott owns and operates Hornell Country Club in Hornell, NY.

We are also grateful for the dedicated CCC staff and members . Ernie Baker, an employee for 32 years and family friend, is responsible for the excellent condition the course is in. *(continued)*

(continued from pg. 1)

Jason Parker is back as our pro and has a wonderful line up of golfing events for members to enjoy. The CCC web site has been recently updated by John Herkimer and we encourage you to check out the new photos & summer activities. Ashley Anderson is managing our food operation & has a great team of familiar faces ready & able to serve you.

In addition to our staff, we would also like to express our sincere appreciation to the membership who have volunteered their time to make the course look beautiful. Thank you to Donnie & EA Sears, Chairs of the Flower Power Team and their dedicated gardeners (we still have 3 holes left for adoption if you are interested in joining the team). A huge thank you as well, to our sand trap team of Phil Cammilleri, Jim Marco Sr., Ed Barron, Barry Marginean, George Parry, & Donnie Sears who helped fill the traps with fine, white sand. One more shout out to all the members for their help in maintaining the traps.

It is members like you that make CCC feel like home, a place you always want to come back to.

- Thank you.

## A MESSAGE FROM JASON

The golf season is off to a great start! There are lots of great things happening at CCC. Some upcoming events to mark on you calendars:

- June 17 – Stag Day, 1 PM shotgun
- June 19 – Couples Scotch, 4-6 PM
- June 25 – Ladies' Filly Day, 9 AM shotgun
- June 26-28 – Member/Member Tournament

*There will be a slight change to the format this year, namely Friday night matches instead of 27 holes on Saturday. This is an exciting event, as all the flight winners will go to a shoot-out to determine the overall winner. Last year, the team of Randy Shaffer and Ron Anastasi made a great birdie on #11 to claim victory. I encourage all the members to come out and watch the shoot-out, it's a lot of fun.*

- June 24 – Junior Golf Clinic starts, 6:30-7:30

As always, anything you need or want to discuss, my door is always open. Thank you for your continued support.

*Bob Weitzel congratulating the winners of the Member/Member Tournament, Randy Shaffer and Ron Anastasi.*

## ERNIE'S CORNER

We aerated the greens in early May. In addition, we are finishing up (or have finished) the Blue tees on #2-5. In addition, we are trimming up the trees on the back 4 holes (12-15) as well as taking down any dead trees on the course.

## RED FOXES

How many little red foxes have you seen on the course this summer? Do you know where their den is? According to Ernie Baker, there are 6 kits and one Mom. They live in a den in the woodpile between # 2 tee and # 3 green. Their favorite place to play is next to # 1 green. You can often see them roaming around looking for rodents to eat.

According to Wikipedia, red foxes establish home ranges within particular areas. They use their urine to mark their territory. Red foxes reproduce once a year in the spring, with a gestational period from 49-58 days. The average litter is 4-6 kits, though up to 13 have occurred. Red foxes are usually together in pairs, as you can see in this photo taken by Kevin Keenan, or small groups consisting of families.

We value our wild life at CCC and look forward to sharing more pictures and stories with you.

- Best, Tanya
