## OUR CCC FAMILY

It is with heavy hearts we acknowledge the passing of a charter member of CCC for 55 years, our neighbor and dear family friend, **Marge Jones**. Margie's cheerful spirit had a contagious effect on everyone around her. She loved the game of golf and could "accept the best and let go of the rest" with her golf shots. She served as a reminder to us all to enjoy the little things in life because they are often the things that mean the most.

Longevity is one of the greatest gifts of our membership. We have many members of CCC who have been members for decades. They, along with many others, reflect the values the Club was founded on.

Our members take pride in the course they call "home." This is best demonstrated by their volunteer efforts in many different ways. Whether repairing ball marks, organizing the Invitationals, gardening with the Flower Power Team, promoting Junior golf, or just doing what needs to be done, it is these simple acts of service that make the biggest difference in our Club. Please know how much we have appreciated your leadership, stewardship, and friendship for many years.

As our season comes to an end, we would also like to express our sincere gratitude to our devoted staff for a successful golf season.

A special shout out to Hollie and Chris for their selfless time, efforts, and energy in restoring CCC to a place we are all proud to call "home."
