THE NEWSLETTER OF THE CALEDONIA COUNTRY CLUB

TANYA WILKIE, *Editor*

WELCOME BACK!

We are pleased to kick off our 60th year celebration of CCC. Our parents purchased the 90-acre farm from the Stanton family in 1959 with visions of a golf course already dancing in our father's head. The original nine holes of Caledonia Country Club was opened for play on Memorial Day in 1963.

This year, we honor our parents, staff, members, and volunteers who have made the Club what it is today.

IN MEMORIAM

Pat Vink and Norma Embling, garden caretakers hole #3. (Photo July 2017)

It is with deep regret we inform you that one of our long-time golfing members, **Norma Embling**, passed away on March 31, 2023. Norma and Ken joined the Club the year after it opened in 1964. She will always be remembered for her infectious smile, kind words, and thoughtful good deeds. Her love of golf and great sense of humor made her a favorite member at CCC.

CCC also lost the **Hon. Harold "Duffy" Litter, Jr.** on March 19, 2023 after a long illness. He loved the game of golf and was respected by all who played with him. He was an advocate for children, a family friend, and will be sadly missed.

A Celebration of Life for **Duffy Litter** will be held Sat. June 3rd from 1-4 pm at Caledonia Country Club.

Our thoughts and prayers are with their families and friends during this time of loss.
